

1. All orders are governed by the terms stated hereinafter. Acceptance of any modification of these terms shall be subject to the publisher's prior written agreement. By sending his/her order, the subscriber accepts these terms unless he/she sends a cancellation within a period of 7 (seven) days after the date of the signing/stamping of the order note, after which the contract shall come into force. To be effective, the cancellation must be given in writing, either using the coupon provided for this purpose at the bottom right of this page or by any other means. The cancellation must be sent by registered post with confirmation of receipt.
2. The subscriber must provide exact details of his/her business and/or his/her professional activity. On the basis of these details, a proof copy shall be drawn up and sent to the subscriber so that he/she may, within a period of four weeks after the date of the invoice (unless stated otherwise), make such corrections or alterations as he/she may consider appropriate and return them to the publisher. Upon expiry of this period without receiving such corrections or alterations, the advertisement shall be published in its original form. Should errors appear in the publications, and these errors are based on the details provided by the subscriber, the subscriber shall be the only person liable for such errors.
3. The Guide is published once a year. In the event that the publisher should have printed incorrectly the details provided by the subscriber, the subscriber shall be entitled to a free insertion in a subsequent issue, after completion of existing contractual obligations.
4. Decisions relating to advertisement positioning in certain sections of the Guide, or the designated categories are at the discretion of the publisher.
5. Unless agreed otherwise beforehand by the publisher, the price stated corresponds to the price of one insertion in one issue, and is payable three weeks from the date of the invoice. In the event of an extension of the contract under the terms defined in the ORDER section, the price of the insertion for each issue shall continue to be that originally stated.
6. In order to be effective, all undertakings notified verbally to the publisher's employees must be necessarily confirmed in writing.
7. The format of the insertion is 90mm X 30mm.
